Mr J. C. Collier
Barnesville Ga

Dear Sir:- I have read with much interest your letter to my brother R. S. Collier of Lowes Ga. giving a history of the Collier family.
Have you a history of the Collier family from Robert Collier of Stone England to Isaac Collier Jr. and from Isaac Collier Jr. to Miles Collier who moved to Wilkes County Ga.
I had a letter some months ago from Charles Miles Collier Everglades Fla. Collier County. through he did not give any history of his family.
I note you will visit this section soon. and hope you will stop over with us while here. Would like to know in advance when you expect to come as I want to be at home as I am anxious to see you and learn more about the Collier family Miles Collier
